CALIFORNIA'S CASUAL LIFESTYLE IS SYNONYMOUS WITH OUTDOOR LIVING. DESIGNERS JANE ANTONACCI, PAUL HARRIS, JOAN GRABEL AND AMY DEVAULT HAVE MASTERED THE ART OF BRINGING LUXURY INTO THE LANDSCAPE. BY DENA SMOLEK

## POOL WITH A VIEW

Designed by Jane Antonacci of Jane Antonacci and Associates, this backyard overlooks the Atherton Reservoir. The tranquil space takes advantage of the breathtaking views year-round from both an inviting poolside lounge and a shady, traditional Victorian gazebo. Taking cues from the romance of an English garden party, Antonacci furnished the whole space with updated yet classic pieces. "The chairs have a wonderful neoclassical feel to them—elegant and simple at the same time," she says.
